

WATER SERVICES REGULATION AUTHORITY

NOTICE OF REVOCATION OF THE WATER SUPPLY LICENCE AND SEWERAGE LICENCE OF REGENT WATER LIMITED

This Notice of Revocation is given to Regent Water Limited by the Water Services Regulation Authority, revoking Water Supply Licence number 035/2017/WL and Sewerage Licence number 034/2017/SL, with effect from 9 August 2022.

Whereas:

On 15 February 2017, the Water Services Regulation Authority (“Ofwat”) granted a water supply licence with a retail authorisation and a restricted retail authorisation to Regent Water Limited (“Regent Water”) (Water Supply Licence number 035/2017/WL) under section 17A of the Water Industry Act 1991 (“WIA91”);

On 15 February 2017, Ofwat granted Regent Water a sewerage licence with a retail authorisation (Sewerage Licence number 034/2017/SL) under section 17BA WIA91 (together “the Licences”);

The Licences are subject to the Standard Licence Conditions issued by the Secretary of State under sections 17H and 17HA WIA91;

Regent Water has requested that Ofwat revoke the Licences under Standard Licence Condition 10(2)(a) which provides for a licence revocation by consent;

On 17 March 2017, the Secretary of State issued a general authorisation to Ofwat to revoke water supply and sewerage licences. The general authorisation came into effect on 1 April 2017; and

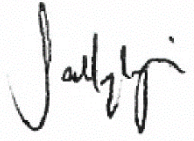

Standard Licence Condition 11 provides that in issuing a notice of revocation, Ofwat must set out the matters it relies on to justify the revocation and the date the revocation will take effect. It also provides that the revocation may not come into effect until 30 days after the notice is issued, except in certain circumstances, including where the licensee consents to the revocation.

Now therefore:

Ofwat hereby revokes Regent Water's water supply licence and sewerage licence, relying on Regent Water's consent by Standard Licence Condition

10(2)(a). Regent Water has requested that we revoke its licence with immediate effect.

The revocation of both licences will therefore take effect on 9 August 2022.
