

## Variation of Independent Water Networks Limited's appointment to include Rake House Farm, Murton, North Shields

On 6 September 2022, Ofwat began a [consultation](#) on a proposal to vary Independent Water Networks Limited's ("**Independent Water Networks**") appointment to become the water and sewerage services provider for a development in Northumbrian Water Limited's ("**Northumbrian Water**") water supply area and sewerage services area called Rake House Farm, Murton, North Shields ("**the Site**"). Details of the application and our assessment of it were set out in the consultation document.

The consultation ended on 4 October 2022. During the consultation period, we did not receive any representations in response to the proposed variation.

We will only make an appointment or variation if our assessment concludes that the application meets the criterion it has been made under; that customers or future customers on the site will be no worse off than if the site had been served by the existing appointee; and if the applicant will be able to finance the proper carrying out of its functions as a water and sewerage company. As set out in our consultation we are satisfied this is the case.

Having assessed Independent Water Networks' application and having received no responses to our consultation, we decided to grant a variation to Independent Water Networks' area of appointment to allow it to serve the site for water and sewerage services. This appointment became effective on 27 January 2023.

The Site maps for the variation can be found in Section 1 of this document.

The Variation Notice legally making the variation can be found in Section 2 of this document.

#### **Variation of the Appointments of Independent Water Networks Limited and Northumbrian Water Limited as Water and Sewerage Undertakers**

Made on 26 January 2023

Coming into effect 27 January 2023

1. Independent Water Networks Limited ("Independent Water Networks") and Northumbrian Water Limited ("Northumbrian Water") hold Appointments as water and sewerage undertakers for their respective areas ("the Appointments").<sup>1</sup> The areas to which the Appointments of Independent Water Networks and Northumbrian Water as the water and sewerage undertakers relate ("Water Supply Area" and "Sewerage Services Area") are set out in their Instruments of Appointment.
2. The site called Rake House Farm, Murton, North Shields, which is shown edged in red on the plan attached to this variation, ("the Site") is within Northumbrian Water's Water Supply Area and Sewerage Services Area. The Site is being developed by Story Homes Limited.
3. Independent Water Networks has applied under section 7(4)(b) of the Water Industry Act 1991 ("the Act") for a variation of its Appointment as a water and sewerage undertaker to include the Site and for a consequential variation of Northumbrian Water's Appointments to exclude the Site.
4. After public consultation, as required by section 8 of the Act, the Water Services Regulation Authority has decided that it should grant Independent Water Networks' application.

---

<sup>1</sup> Northumbrian Water's original Appointment as a water and sewerage undertaker was made by the Secretary of State for the Environment under sections 11 and 14 of the Water Act 1989, now replaced by sections 6 and 11 of the Water Industry Act 1991. Independent Water Networks' original appointment was made by the Water Services Regulation Authority under sections 6 and 11 of the Water Industry Act 1991.

<sup>2</sup> With effect from 1 April 2006 the functions of the Director General of Water Services were transferred to the Water Services Regulation Authority in accordance with section 36 of, and Schedule 3 to, the Water Act 2003.

5. Therefore, as provided by sections 7(2) and 7(4)(b) of the Act, and with the agreement of Story Homes Limited the Water Services Regulation Authority **varies**–
- (a) the Appointment of Independent Water Networks as a water and sewerage undertaker so that the Site is included in Independent Water Networks' Water Supply Area and Sewerage Services Area; and
  - (b) the Appointment of Northumbrian Water as a water and sewerage undertaker so that the Site is excluded from Northumbrian Water's Water Supply Area and Sewerage Services Area.
