

Variation of Icosa Water Services Limited's appointment to include Fleet Lane, St. Helens, Warrington

On 20 December 2022, Ofwat began a [consultation](#) on a proposal to vary Icosa Water Services Limited's ("**Icosa Water**") appointment to become the water services provider for a development in United Utilities Water Limited's ("**United Utilities**") water supply area called Fleet Lane, St. Helens, Warrington ("**the Site**"). Details of the application and our assessment of it were set out in the consultation document.

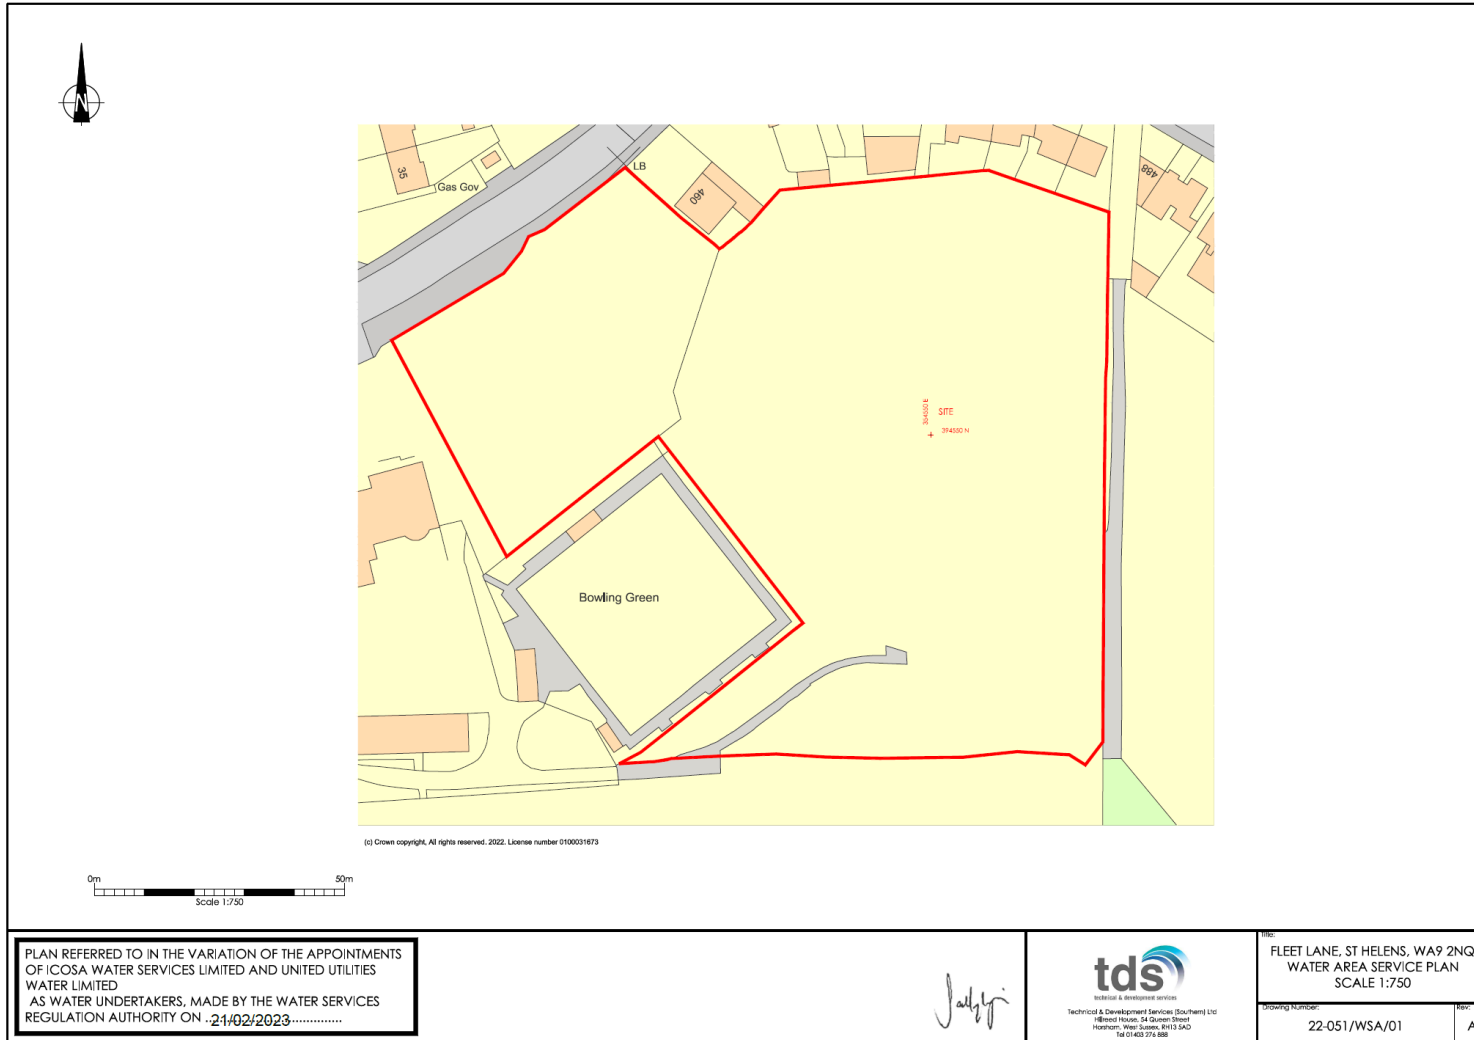

The consultation ended on 23 January 2023. During the consultation period, we did not receive any representations, in response to the proposed variation. We consulted on the basis of this variation being for both water and sewerage services but following the closure of the consultation Icosa Water notified us that it wished to amend the application to remove sewerage services from the proposed application; that we notified statutory consultees of this change and they confirmed they had no comments; and updated our financial assessment of the application to reflect the reduced services and remain comfortable that Icosa Water will be able to finance its function on the Site

We will only make an appointment or variation if our assessment concludes that the application meets the criterion it has been made under; that customers or future customers on the site will be no worse off than if the site had been served by the existing appointee; and if the applicant will be able to finance the proper carrying out of its functions as a water company. As set out in our consultation we are satisfied this is the case. Having assessed Icosa Water's application and having received no responses to our consultation we decided to grant a variation to Icosa Water's area of appointment to allow it to serve the Site for water services. This appointment became effective on 22 February 2023.

The Site Map for the variation can be found in Section 1 of this document.

The Variation Notice legally making the variation can be found in Section 2 of this document.

2. Variation Notice

WATER SERVICES REGULATION AUTHORITY
WATER INDUSTRY ACT 1991, SECTIONS 6 TO 9

Variation of the Appointments of Icosa Water Services Limited and United Utilities Water Limited as Water Undertakers

Made on 21 February 2023

Coming into effect on 22 February 2023

1. Icosa Water Services Limited ("Icosa Water") and United Utilities Water Limited ("United Utilities") hold Appointments as water undertakers for their respective areas ("the Appointments").¹ The areas to which the Appointments of Icosa Water and United Utilities as water undertakers relate ("Water Supply Area") are set out in their Instruments of Appointment.
2. The site called Fleet Lane, St. Helens, which is shown edged in red on the plan attached to this variation, ("the Site") is within United Utilities' Water Supply Area. The Site is being developed by Keyworker Homes (Macclesfield) Limited.
3. Icosa Water has applied under section 7(4)(b) of the Water Industry Act 1991 ("the Act") for a variation of its Appointment as a water undertaker to include the Site and for a consequential variation of United Utilities' Appointment to exclude the Site.
4. On 27 June 1995, the Secretary of State for the Environment and the Secretary of State for Wales acting jointly and pursuant to sections 6(1) and 7(2) of the Act authorised the Director General of Water Services² to make variations such as those contained in paragraph 5 below. After public consultation, as required by section 8 of the Act, the Water Services Regulation Authority has decided that it should grant Icosa Water's application.
5. Therefore, as provided by sections 7(2) and 7(4)(b) of the Act, and with the agreement of Keyworker Homes (Macclesfield) Limited, the Water Services Regulation Authority **varies**-

(a) the Appointment of Icosa Water as a water undertaker so that the Site is included in Icosa Water's Water Supply Area; and

(b) the Appointment of United Utilities as a water undertaker so that the Site is excluded from United Utilities' Water Supply Area.

Signed for and on behalf of the Water Services Regulation Authority

Sally Irgin
Director of Enforcement

¹ United Utilities' original Appointment as a water undertaker was made by the Secretary of State for the Environment under sections 11 and 14 of the Water Act 1989, now replaced by sections 6 and 11 of the Water Industry Act 1991. Icosa Water's original Appointment as a water undertaker was made by the Water Services Regulation Authority under sections 6 and 11 of the Water Industry Act 1991.

² With effect from 1 April 2006 the functions of the Director General of Water Services were transferred to the Water Services Regulation Authority in accordance with section 36 of, and Schedule 3 to, the Water Act 2003.
