

Variation of Leep Networks (Water) Limited's appointment to include Main Road, Didcot, Oxfordshire

On 16 November 2022, Ofwat began a [consultation](#) on a proposal to vary Leep Networks (Water) Ltd's ("**Leep Water**") appointment to become the water and sewerage services provider for a development in Thames Water Utilities Limited's ("**Thames Water**") water supply area and sewerage services area called Main Road, Didcot, Oxfordshire ("**the Site**"). Details of the application and our assessment of it were set out in the consultation document.

The consultation ended on 15 December 2022. During the consultation period, we did not receive any representations in response to the proposed variation.

We will only make an appointment or variation if our assessment concludes that the application meets the criterion it has been made under; that customers or future customers on the site will be no worse off than if the site had been served by the existing appointee; and if the applicant will be able to finance the proper carrying out of its functions as a water and sewerage company. As set out in our consultation we are satisfied this is the case.

Having assessed Leep Water's application and having received no responses to our consultation, we decided to grant a variation to Leep Water's area of appointment to allow it to serve the Site for water and sewerage services. This appointment became effective on 23 March 2023.

The Site maps for the variation can be found in Section 1 of this document.

The Variation Notice legally making the variation can be found in Section 2 of this document.

On 27 June 1995, the Secretary of State for the Environment and the Secretary of State for Wales acting jointly and pursuant to sections 6(1) and 7(2) of the Act authorised the Director General of Water Services² to make variations such as those contained in paragraph 5 below. After public consultation, as required by section 8 of the Act, the Water Services Regulation Authority has decided that it should grant Leep Water's application.

¹ Thames Water's original Appointment as a water and sewerage undertaker was made by the Secretary of State for the Environment under sections 11 and 14 of the Water Act 1989, now replaced by sections 6 and 11 of the Water Industry Act 1991. Leep Water's original appointment was made by the Water Services Regulation Authority under sections 6 and 11 of the Water Industry Act 1991.

² With effect from 1 April 2006 the functions of the Director General of Water Services were transferred to the Water Services Regulation Authority in accordance with section 36 of, and Schedule 3 to, the Water Act 2003.

- (a) the Appointment of Leep Water as a water and sewerage undertaker so that the Site is included in Leep Water's Water Supply Area and Sewerage Services Area; and
 - (b) the Appointment of Thames Water as a water and sewerage undertaker so that the Site is excluded from Thames Water's Water Supply Area and Sewerage Services Area.
