

Variation of Independent Water Networks Limited's appointment to include Viscount Green, Horwich, Bolton

On 25 October 2022, Ofwat began a [consultation](#) on a proposal to vary Independent Water Networks Limited's (“**Independent Water Networks**”) appointment to become the water services provider for a development in United Utilities Water Limited (“**United Utilities**”) water supply area called Viscount Green, Horwich, Bolton (“**the Site**”). Details of the application and our assessment of it were set out in the consultation document.

The consultation ended on 21 November 2022. During the consultation period, we received a response from one organisation, the Environment Agency, who did not have any objections to the consultation.

We will only make an appointment or variation if our assessment concludes that the application meets the criterion it has been made under; that customers or future customers on the site will be no worse off than if the site had been served by the existing appointee; and if the applicant will be able to finance the proper carrying out of its functions as a water company. As set out in our consultation we are satisfied this is the case. The response we received to the consultation has not changed that view.

Having assessed Independent Water Networks' application and having taken account of the single response we received to our consultation, we decided to grant a variation to Independent Water Networks' area of appointment to allow it to serve the Site for water services. This appointment became effective on 6 June 2023.

The Site map for the variation can be found in Section 1 of this document.

The Variation Notice legally making the variation can be found in Section 2 of this document.

2. Variation Notice

WATER SERVICES REGULATION AUTHORITY

WATER INDUSTRY ACT 1991, SECTIONS 6 TO 9

Variation of the Appointments of Independent Water Networks Limited and United Utilities Water Limited as Water Undertakers

Made on 5 June 2023

Coming into effect on 6 June 2023

1. Independent Water Networks Limited ("Independent Water Networks") and United Utilities Water Limited ("United Utilities") hold Appointments as water undertakers for their respective areas ("the Appointments").¹ The areas to which the Appointments of Independent Water Networks and United Utilities as water undertakers relate ("Water Supply Area") are set out in their Instruments of Appointment.
2. The site called Viscount Green, Horwich in Bolton, which is shown edged in red on the plan attached to this variation ("the Site") is within United Utilities' Water Supply Area. The Site is being developed by Ecclestone Homes Limited.
3. Independent Water Networks has applied under section 7(4)(b) of the Water Industry Act 1991 ("the Act") for a variation of its Appointment as a water undertaker to include the Site and for a consequential variation of United Utilities' Appointment to exclude the Site.
4. On 27 June 1995, the Secretary of State for the Environment and the Secretary of State for Wales acting jointly and pursuant to sections 6(1) and 7(2) of the Act authorised the Director General of Water Services² to make variations such as those contained in paragraph 5 below. After public consultation, as required by section 8 of the Act, the Water Services Regulation Authority has decided that it should grant Independent Water Networks' application.
5. Therefore, as provided by sections 7(2) and 7(4)(b) of the Act, and with the agreement of Ecclestone Homes Limited, the Water Services Regulation Authority **varies**–
 - (a) the Appointment of Independent Water Networks as a water undertaker so that the Site is included in Independent Water Networks' Water Supply Area; and
 - (b) the Appointment of United Utilities as a water undertaker so that the Site is excluded from United Utilities' Water Supply Area.

¹ United Utilities' original Appointment as a water undertaker was made by the Secretary of State for the Environment under sections 11 and 14 of the Water Act 1989, now replaced by sections 6 and 11 of the Water Industry Act 1991. Independent Water Networks' original Appointment was made by the Water Services Regulation Authority under sections 6 and 11 of the Water Industry Act 1991.

² With effect from 1 April 2006 the functions of the Director General of Water Services were transferred to the Water Services Regulation Authority in accordance with section 36 of, and Schedule 3 to, the Water Act 2003.

Variation of Independent Water Networks Limited's appointment to include Viscount Green, Horwich,
Bolton

Signed for and on behalf of the Water Services Regulation Authority
