

Variation of Icosa Water Services Limited's appointment to include Keyford Meadows, Frome, Somerset

On 2 May 2023, Ofwat began a [consultation](#) on a proposal to vary Icosa Water Services Limited's ("**Icosa Water**") appointment to become the water and sewerage services provider for a development in South West Water Limited's ("**South West Water**") water supply area and Wessex Water Services Limited ("**Wessex Water**") sewerage services area called Keyford Meadows, Frome, Somerset ("**the Site**"). Details of the application and our assessment of it were set out in the consultation document.

The consultation ended on 31 May 2023. During the consultation period, we did not receive any representations.

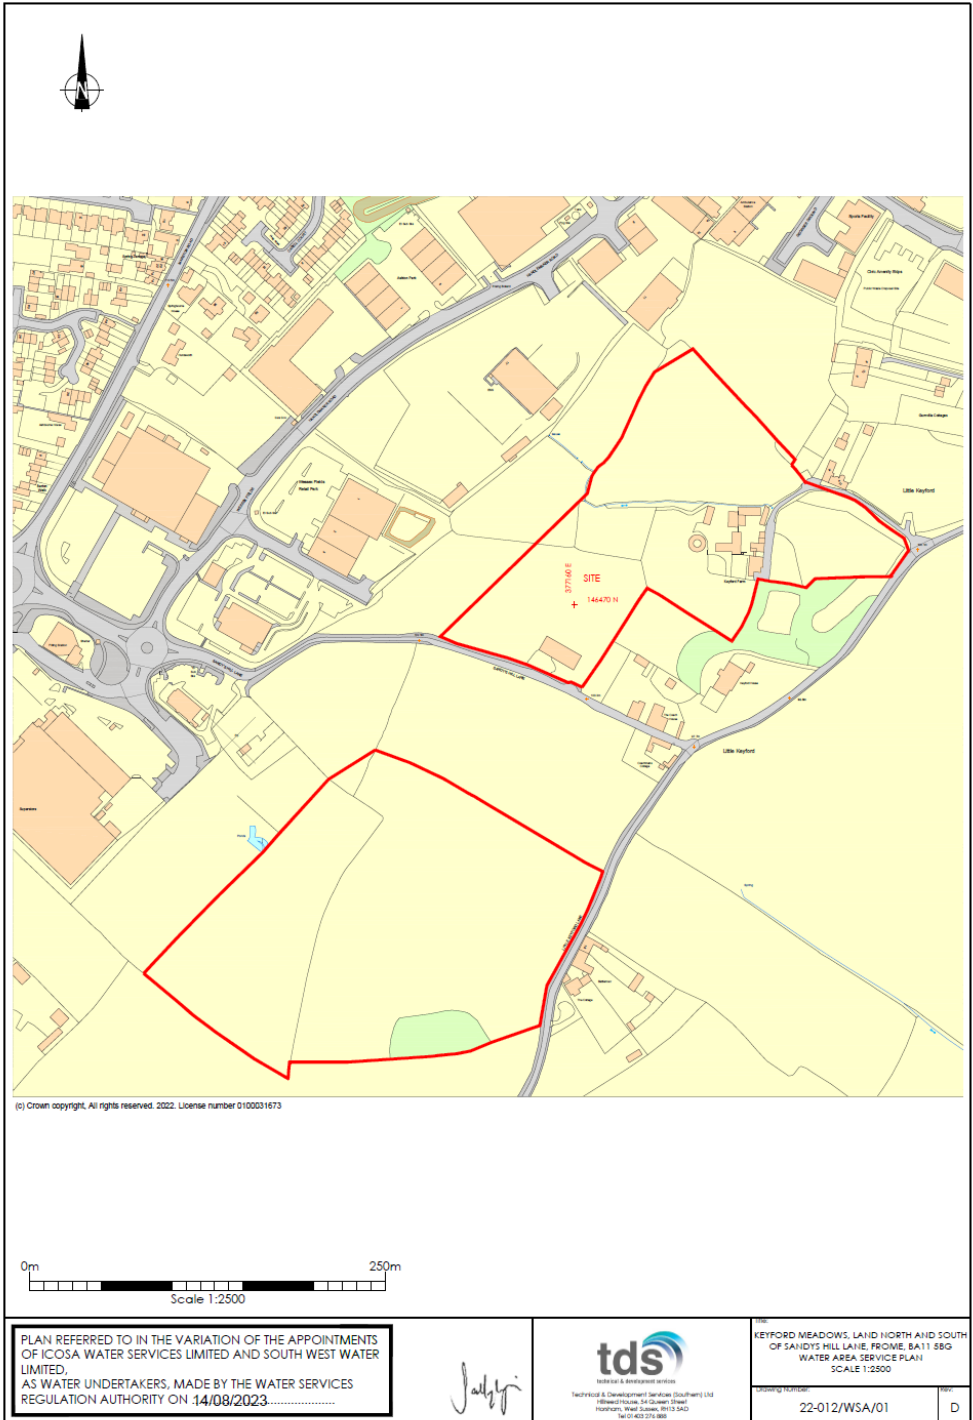

We will only make an appointment or variation if our assessment concludes that the application meets the criterion it has been made under; that customers or future customers on the site will be no worse off than if the site had been served by the existing appointee; and if the applicant will be able to finance the proper carrying out of its functions as a water and sewerage company. As set out in our consultation we are satisfied this is the case.

Having assessed Icosa Water's application and having received no responses to our consultation, we decided to grant a variation to Icosa Water's area of appointment to allow it to serve the site for water and sewerage services. This appointment became effective on 15 August 2023.

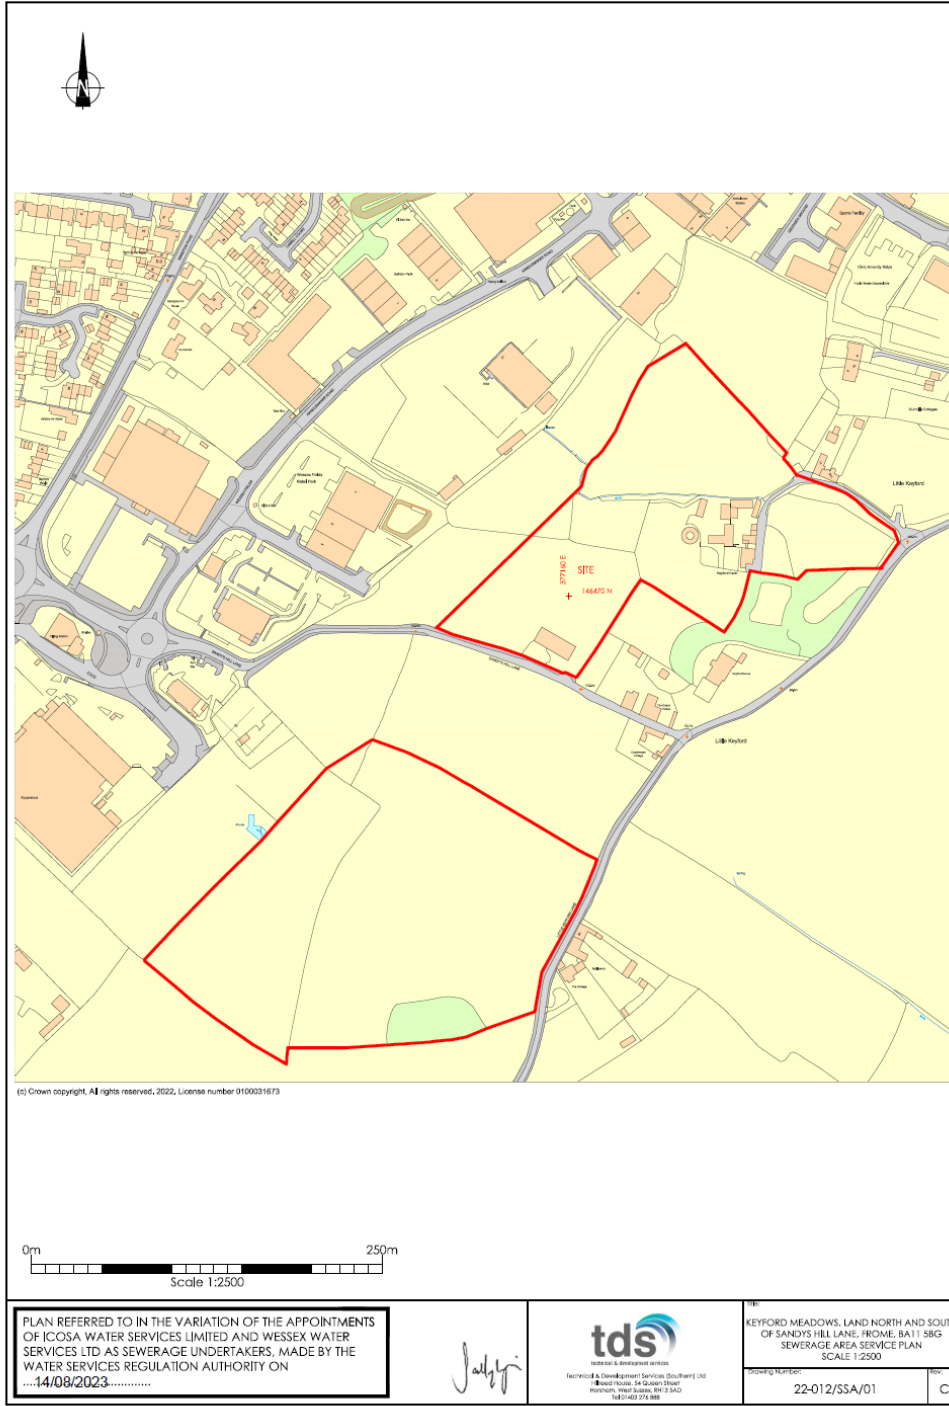

The Site Maps for the variation can be found in Section 1 of this document.

The Variation Notice legally making the variation can be found in Section 2 of this document.

² With effect from 1 April 2006 the functions of the Director General of Water Services were transferred to the Water Services Regulation Authority in accordance with section 36 of, and Schedule 3 to, the Water Act 2003.

- (a) the Appointment of Icosa Water as a water and sewerage undertaker so that the Site is included in Icosa Water's Water Supply Area and Sewerage Services Area;
- (b) the Appointment of South West Water as a water undertaker so that the Site is excluded from South West Water's Water Supply Area; and
- (c) the Appointment of Wessex Water as a sewerage undertaker so that the Site is excluded from Wessex Water's Sewerage Services Area.
