

Variation of ESP Water's appointment to include Monksfields (Love's Farm), St. Neots

On 25 April 2023, Ofwat began a [consultation](#) on a proposal to vary ESP Water Limited's ("ESP Water") appointment to become the water and sewerage services provider for a development in Anglian Water Services Limited's ("Anglian Water") water supply and sewerage services area called Monksfields (Love's Farm), St. Neots ("the Site"). Details of the application and our assessment of it were set out in the consultation document.

The consultation ended on 26 May 2023. During the consultation period, we received no representations.

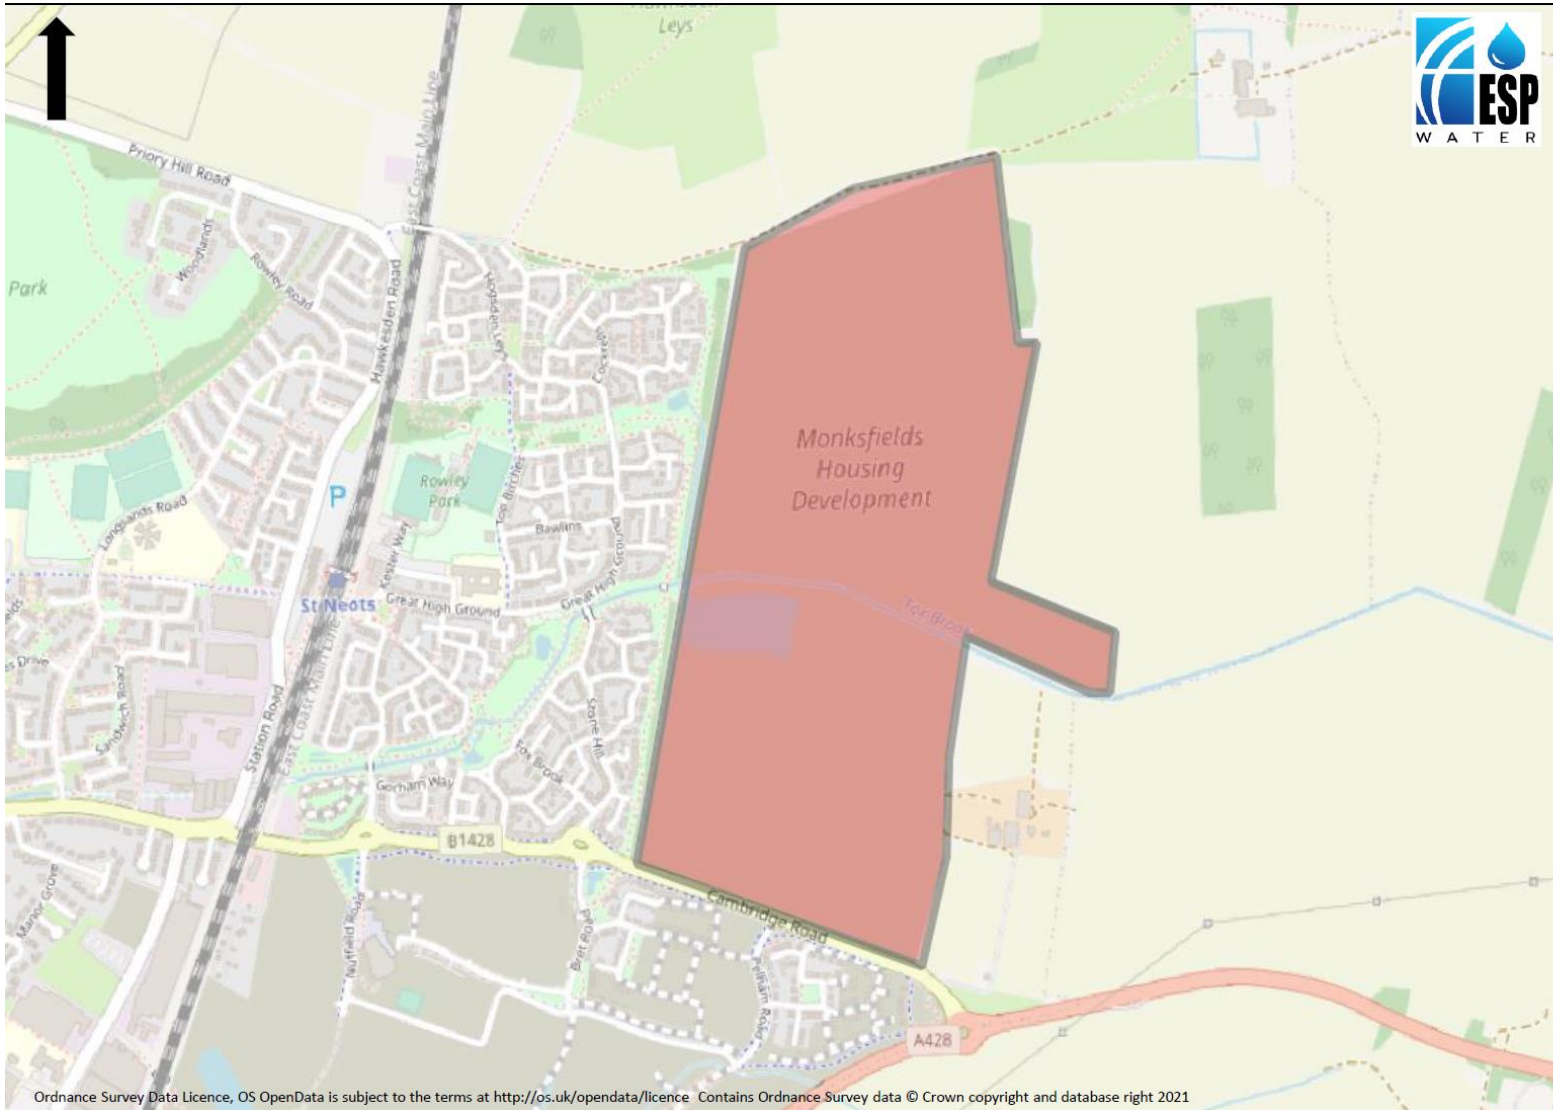

We will only make an appointment or variation if our assessment concludes that the application meets the criterion it has been made under; that customers or future customers on the Site will be no worse off than if the Site had been served by the existing appointee; and if the applicant will be able to finance the proper carrying out of its functions as a water and/or sewerage company. As set out in our consultation, we are satisfied this is the case.

Having assessed ESP Water's application and having received no responses to our consultation, we decided to grant a variation to ESP Water's area of appointment to allow it to serve the Site for water and sewerage services. This appointment became effective on 9 August 2023.

The Site maps for the variation can be found in Section 1 of this document.

The Variation Notice legally making the variation can be found in Section 2 of this document.
