Dear

**Consultation under sections 12A and 13 of the Water Industry Act 1991 on proposed modifications to Condition B: Charges of 16 water companies' licences**

I am sorry that we have exceeded the deadline for response to the above consultation, however we are content with the proposed licence modifications, which change the price control treatment of contestable developer services, as part of PR24.

Yours faithfully,

  
**Director of Regulation and Strategy**
