Draft determination of South West Water's in-period outcome delivery incentives for 2022-23

Dear Ofwat,

I am a customer of South West Water and I am writing to tell you that I am totally opposed to prices being increased to pay for work required to meet regulatory standards. They should have been doing that all along.

Perhaps SWW should run their business more responsibly and pay less out in bonuses and dividends.

Yours Sincerely

[REDACTED]
